INTRODUCTION

Dear Reader,

GOD's PLAN, OUR PLAN, & THE DEVIL'S PLAN

Brothers and Sisters before I start I just want to make a few things clear and set the tone.

This book is not written to offend, hurt, condemn, or belittle anyone's faith or beliefs, I am merely sharing my knowledge and revelation with all as God loves us all, and he wants every single one of us to go back to Him.

I have written this book to make people aware of what is actually happening and how your children's lives will be affected.

It does not matter what your faith is, all Religions are in agreement that we are in the End Times.

Christians, Judists, and Muslims all believe we are in the End Times.

Hindus & Sikhs call this Time the last age i.e. Kaliyug the age of Darkness.

ATTENTION

So all the World's major Religions are also in agreement that during this time, there will be more wicked and evil people than good, pious and Holy.

I was once praying to the Lord asking Him, God how do I approach people from other Faiths and Religions and share this beautiful relationship I now share with you.

Before I found the Lord, I was one of the worst sinners of all, I would binge drink, smoke, be on coke, I slept around, the full works, all this was temporary fun.

It's like being addicted to drugs, you need to be on drugs to get that high, then after the high comes down which is horrible so you need more drugs to chase the high. But with God you're on a Constant High on his Joy and Peace, and God's high is much better than the Worldly highs.

So I wanted to share my new found Godly High with everyone, but was afraid that people would get offended and not want to know.

So as I was praying and talking to God, I felt in my Spirit that God answered my question by saying, son just speak your Truth for these people are not even faithful to their so called Faiths and Religions for their Faith and Religion

is Mammon and Money ie Worldly to gain Worldly possessions.

This is so true.

Most people are associated with a Religion as they were born into that Religion but they are not faithful to it, or even a little bit.

They follow rituals but don't follow what is being asked of them.

Which comes down to God's Perfect Plan for us.

God's Plan:

In a nutshell God's perfect plan is love God before anyone or anything, then love everyone else as you love yourself.

God made us in His Image i.e. perfect, he gave us Free Will, we abused that Free Will by becoming disobedient.

If we love everyone else like we love ourselves then there would be no poverty, inequality, or wars.

So is God's plan for us not perfect?

Our Plan:

Our Plan for ourselves tends to be a rather selfish one.

We want what we think is best for us, i.e. a Big House, Rolls Royce Car, and lots of money and servants for ourselves and our children.

The Bible tells us we cannot serve 2 Masters i.e. God and Mammon together.

We know that we cannot take a single penny with us to the grave but we still lust after money like a druggie desperate for his next fix of drugs willing to do anything.

If we look at history, we will find a generation makes sacrifices to make money, the second generation builds on those sacrifices and multiplies and the Wealth created by the first generation and the third generation that has not had to work for the wealth tends to be the one that squanders it away.

Despite this truth, people are sacrificing and busy trying to make money for what they think will better their lives.

I want to share this article I copied and pasted from the internet about the dead multi billionaire Steve Jobs who

was the founder of Apple and the iPhone and iPad who died at 56.

He died a billionaire at 56 years of Pancreatic Cancer and here are his last words on the sick bed:

"I reached the pinnacle of success in the business world. In others' eyes my life is an epitome of success. However, aside from work, I have little joy. In the end,

ATTENTION

wealth is only a fact of life that I am accustomed to. At this moment, lying on the sick bed and recalling my whole life, I realize that all the recognition and wealth that I took so much pride in, have paled and become meaningless in the face of impending death.

You can employ someone to drive the car for you, make money for you but you cannot have someone to bear the sickness for you.

Material things lost can be found. But there is one thing that can never be found when it is lost – "Life".

When a person goes into the operating room, he will realize that there is one book that he has yet to finish reading – "Book of Healthy Life."

Whichever stage in life we are at right now, with time, we will face the day when the curtain comes down. Treasure Love for your family, love for your spouse, love for your friends. Treat yourself well. Cherish others.

As we grow older, and hence wiser, we slowly realize that —

- Wearing a \$300 or \$30 watch - they both tell the same time...

- Whether we carry a \$300 or \$30 wallet/handbag - the amount of money inside is the same;
- Whether we drive a \$150,000 car or a \$30,000 car, the road and distance is the same, and we get to the same destination.
- Whether we drink a bottle of \$300 or \$10 wine - the hangover is the same;
- Whether the house we live in is 300 or 3000 sq ft - loneliness is the same.

You will realize, your true inner happiness does not come from the material things of this world. Whether you fly first or economy class, if the plane goes down - you go down with it...

Therefore.. I hope you realize, when you have mates, buddies and old friends, brothers and sisters, who you chat with, laugh with, talk with, have sing songs with, talk about north-south-east-west or heaven and earth, That is true happiness!!

FIVE UNDENIABLE FACTS OF LIFE:

1. Don't educate your children to be rich. Educate them to be Happy. So when they grow up they will know the value of things, not the price.
2. Best awarded words in London ... "Eat your food as your medicine. Otherwise you have to eat medicine as your food."
3. The One who loves you will never leave you for another because even if there are 100 reasons to give up he or she will find one reason to hold on.
4. There is a big difference between a human being and being human. Only a few really understand it.
5. You are loved when you are born. You will be loved when you die. In between, you have to manage!
NOTE: If you just want to walk Fast, Walk Alone!
But if you want to Walk Far, Walk Together!

So in summary most peoples plans are selfish and not perfect at all.

Us humans, our knowledge is very limited to what we know.

We do not like to be moved out of our comfort zone therefore we do not like change, as we don't like uncertainty.

There was a story I was once told.

An Angel went to a pig and said to the pig, Mr Piggy would you like to go to heaven.

The pig did not know of heaven, so the Angel explained and tried to sell him the idea that heaven is a really great place to be.

So the pig asks the Angel if they have pooh in heaven as I love rolling around in pooh.

The Angel replied don't be silly, there is no pooh in heaven, you won't need it.

The Pig then asked ok, is there lots of this dirty mud in heaven for me to roll around in.

The Angel replied you won't need to roll around in dirty mud in heaven, everything is perfect and clean.

The Pig then replies to the Angel, Mr Angel thanks for your offer to take me to heaven, but I am going to have to politely decline your offer.

ATTENTION

This pooh and mud is my heaven.

Your heaven sounds boring to me.

The same way we humans are rolling around in pooh and mud and think it's heaven but don't realise there is something better out there.

We think our Plan is better and more fun than God's plan for us.

Devil's Plan:

- It is the Devil's plan to stray us away from God.
- The Devil is like a groomer or Drug Dealer pusher.
- They first befriend you, win your trust, and then trap you.
- He will tempt us with Sin, i.e. all the things God hates and separates us from Him.
- He will lure us away from God
- He will try to convince us that God does not love us.
- Once he has trapped us like the groomer and drug dealer he makes our life miserable.
- He makes us dependent on him.
- He makes us ashamed of ourselves to go back to God.

Addicts and victims of Groomers only escape with the help of their families, the same way those that have become slaves of the Devil can only break away from his grip by the prayers of the children of God.

Then the Devil also acts like our friend like that Con man that makes out he is a good man yet slowly deceives us.

Many of us do not realise that we are being deceived.

As he has created many different religions and diluted the truth.

Look at Christianity, the Devil is trying his best to break the church by introducing wrong doctrine and many different Denominations.

So can you now see that God's Plan is the most perfect Plan for us, better than our own?

Once you have read this book please do not just leave it on your bookshelf or some corner to gather dust please pass it on to someone else who can be blessed to know what is happening, and be given the chance to change their life.

ATTENTION

This book is not written to convert people to Christianity, but to make people aware of what is happening and that this was written in the Bible.

We cannot ignore that Biblical prophecy is being played out right here and now in front of our very eyes, the Bible contains 793 Prophecies and approximately 593 of these have been fulfilled.

God gives us a choice of Free will.

If you have doubts about Jesus Christ at least turn to God and be faithful to the Almighty God, and let Him judge you according to your conscience and revelation of God that is being given to you, as I hope and pray to see the readers of this book and see you in Heaven.

I love all my brothers and sisters in the world as does the Lord.

I think it is important for the reader to understand and wake up to what is happening in the world right now and what world our children will grow up in.

Then you decide what you want to do.

The purpose of writing this book is that when the author gave his life to Christ, the first message that came into his heart was that we are in the End Times and Souls must be won.

As the author matured in his ministry and gained spiritual wisdom and knowledge, he realized that he had to share the revelation given to him, which prompted him to write this book with an URGENCY!!!

He prayed to the Holy Spirit to lead and inspire him to write this book in truth and in spirit.

The author was reminded of the scripture, that the end times will be just like the days of Noah.

So we were warned by Jesus in Luke 17:26-27, Jesus declared, "As it was in the days of Noah, so it will be also in the days of the Son of Man: They ate, they drank, they married wives, they were given in marriage, until the day that Noah entered the ark, and the flood came and destroyed them all".

When Noah was building the ark, it took him approximately ninety years to finish building the ark.

ATTENTION

Noah would have been instructed to inform people that a flood is coming and the people should repent of their sins and get ready but everyone ignored him and thought he was a mad man.

They thought he was crazy as he had been saying this for years upon years.

So Noah built an ark as he was instructed by God to accommodate him, his families and all the animals accordingly.

In the same way just as it was in those days, people are preoccupied with their lives, the devil has kept us in captivity or bondage of being very busy with trying to pay bills, do business, looking for jobs, running after ourselves with children and addictions as well as the worries of this world.

Many people don't have time for God anymore hence not realising what is happening in front of their eyes.

Therefore the purpose of this book is to inform and open up the spiritual eyes and ears of people to be able to discern the reality and truth of what is happening.

Jesus informed us of the signs i.e there will be wars, famines, natural disasters etc, it is all happening.

The purpose of this book is to connect what is happening in the world right now to biblical prophecies and also even more importantly as you realise the truth of what is happening for you to be connected to God.

Human lives have no value to the governments and you can see this as it has been demonstrated many times throughout history.

Examples of this can be traced to how the United States supplied weapons against Russia during the Soviet–Afghan War which was an ongoing armed conflict, fought in the Soviet-controlled Democratic Republic of Afghanistan (DRA) from 1979-1989. Then the Afghanistans turned against America.

Another example was the war against Iraq when George Bush and Tony Blair came together and summed up allegations against Saddam Hussain, years after he had been assassinated it was reported that he didn't commit those crimes.

Those wars were created because elections were coming up and they wanted to gain popularity. George Bush and Tony Blair did the same thing against Colonel Gadaffi of Libya.

ATTENTION

Looking at the current war between Russia and Ukraine, the government does not care about the lives of people because so many lives have been lost in this war and yet no sign of cease fire.

We see guerilla warfare all over Africa which is no longer newsworthy as African lives hold little if any value.

Furthermore, the same way, the money men will have no use for the middle-class. Many of the middle class people are educated, but when the Robots and AI take over, they will remove the need for the Middle and Working Classes, so there will be no need for so many of these masses which means without the people being educated, it will become easier for the people to be brainwashed.

They cannot do all these things openly at the moment, as this will cause the people to go crazy and there will be a massive political uproar.

Hence all this Technology is being phased in slowly, and in a subtle way.

Example - Credit Cards then Debit Cards then Online Banking then Online Shopping then Mobile Wallets and Cryptocurrency.

Governments are using the Technology to build up intelligence about us and without realising it we are giving them control.

Whenever you open any online account, you will be asked for access to all your contact details etc.

You google something and what you googled you keep seeing related adverts pop up on your Social media.

You may have been told years ago that Governments have the ability to watch what you do and say through your mobile phone.

Just recently I discovered the conversations that I was having and then when I went to google the answer I did not have to write the whole sentence google knew what I wanted to ask.

Example When John Lennon was assassinated, all I did was type when John was and the rest came up.

I tested this out with other conversations and questions, so the phones are listening to us.

So with the way artificial intelligence is going, we are losing control and power.

ATTENTION

There are books such as George Orwell's 1984 which talked about how people will be controlled.

Big Brother is a world in which there will be cameras watching and monitoring people's every move. I remember reading this book as a child almost 40 years ago in my English class.

Science Fiction films such as Terminator and Star Wars no longer seem fictional.

SATANIC CHURCHES

For those people who bury their head in the sand and do not want to believe in Evil Spirits, Devils and Demons.

If you do a google search - satanic churches around the world, this is a screenshot of what comes up.

DO NOT IGNORE WHAT IS HAPPENING IN THE WORLD RIGHT NOW

Church of Satan

The First Satanic Church, founded by Karla LaVey on October 31, 1999, in San Francisco, California, follows the principles of LaVeyan Satanism as outlined in Anton LaVey's *The Satanic Bible*. The church's primary goal is to uphold Anton LaVey's legacy by promoting the study of Satanism and occult sciences. For more than ten years, the church operated The 600 Club, an online forum dedicated to discussing Satanism, though this forum is now defunct.

According to the church's website, it asserts its origins from 1966, with the 1999 founding considered a "re-establishment" aimed at continuing the legacy of the original Church of Satan founded by Anton LaVey. Karla LaVey emphasizes her role in representing her father's original teachings, which she claims have been deviated from by the current administration of the Church of Satan. The First Satanic Church maintains a stance aligned with Anton LaVey's original organization, requiring prospective members to read *The Satanic Bible*.

The Satanic Temple is recognised as a religion by the US government, and has ministers and congregations in America, Europe and Australia.

More than 830 people snapped up tickets for its late April convention, dubbed SatanCon.

Members say they don't actually believe in a literal Lucifer or Hell. Instead, they say Satan is a metaphor for questioning authority, and grounding your beliefs in science. The sense of community around these shared values makes it a religion, they say.

They do use the symbols of Satan for rituals - for example when celebrating a wedding or adopting a new name. That might include having an upside-down neon cross on your altar while shouting: "Hail Satan!"

For many Christians, this is serious blasphemy.

"That's not wrong," agrees Dex Desjardins, a spokesperson for The Satanic Temple. "A lot of our imagery is inherently blasphemous.

"We've got folks who wear inverted crosses. And our opening ceremony did have the ripping up of a Bible as a symbol of oppression, especially oppression of LGBTQ

ATTENTION

folk and women, and also the BIPOC community, and pretty much anybody who's grown up with religious trauma, which is a tremendous number of our members."

You see the Devil also known as Satan is not a biblical lie or fantasy, Devils are real.

These Devil worshippers do the Devils work.

CHAPTER ONE

BIBLICAL PROPHECY - BOOK OF DANIEL

According to Daniel 7:25 (NIV) "He will speak against the Most High and oppress his holy people and try to change the set times and the laws. The holy people will be delivered into his hands for a time, times and half a time".

Daniel is referring to the End Time Antichrist, who is the ultimate enemy of Christ.

It is believed that before the Last Judgment, the Antichrist will rule as a tyrant.

The term "Antichrist" first appeared in the Letters of John in the New Testament. detailed stories about the Antichrist's life and rule were written in medieval times.

The idea of the Antichrist in Christianity comes from Jewish traditions, especially from the Book of Daniel in the Hebrew Bible.

Written around 167 BCE, Daniel foretold the coming of a final persecutor who would speak against God and oppress the faithful.

(Daniel 12:4 NIV)

“But you, Daniel, roll up and seal the words of the scroll until the time of the end. Many will go here and there to increase knowledge.”

AI as a potential symbol of the "Increase in Knowledge". Daniel said, "**Many will go here and there to increase knowledge**" (Daniel 12:4, NIV).

We can see this happening with AI today.

AI can do many jobs now that humans do, it is frightening to know that Robots have been developed to have human intelligence and replicate our emotions.

These are known as Humanoids.

There will be Humanoid Police, Doctors, Judges, Teachers and if these are controlled by a sick psychopath that we often see in the James Bond films, this will be horrendous for the World.

They will be able to do almost anything humans are capable of.

This will cause many people to lose their jobs and have a hard time finding new ones.

As AI takes over more jobs, the money made is highly unlikely to be shared fairly, causing the minority Elite to get richer while others get poorer, leading to problems in the society.

Again we see this with African Leaders who do not care about the majority public.

AI has introduced face recognition and can track people without their permission, taking away their privacy.

Governments might use this to watch where people go and see what they do.

AI can create fake videos and recordings, called "deep fakes," to spread lies, trick people, or blackmail them.

It can also quickly spread fake news, making it hard to know what's true and causing confusion.

AI can analyse what people search and buy on the internet and therefore builds intelligence and influences

ATTENTION

what people believe and how they act, helping powerful people control others.

As AI becomes more common, people might rely on it too much and lose their ability to make their own decisions.

All of these things that artificial intelligence can do raises a serious concern as it can be and is used as a weapon of control and manipulation by the Antichrist Spirit i.e. the Devil.

WHAT JESUS SAID ABOUT THE END TIMES

(Matthew 24:24 KJV) “For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect”.

Jesus warns us saying in ***(Matthew 24:24) “For false Christs and false Prophets will arise and perform great signs and wonders so as to lead astray. If possible, even the elect.”***

It is crucial we remain vigilant and grounded in God’s word so we are not deceived.

Matthew 24:21–22 Jesus states that there will be a “great tribulation, such as has not been from the beginning of the world until now, no, and never will be” and that it will be cut short “for the sake of the elect.”

A few verses later Jesus describes the coming of the Son of Man in similar terms to that found in ***1 Thessalonians 4:16-17 KJV: “For the Lord himself shall descend from heaven with a shout, with a voice of the archangel, and with the trump of God: and the dead in Christ shall rise***

first. Then we who are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord."

Jesus warns us that a time will come when people will say that Jesus was not real and he is not the Son of God.

(1 John 4:3 KJV) "And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world."

1 John 2:18-22 (Paraphrased)

"My dear children, we are in the final hour.

You have heard that the Antichrist is coming, and indeed, many antichrists have already appeared.

This confirms that we are now in the last seconds as the last hour was 2000 years ago.

Book Of Revelation 13:1-8 Paraphrased

I am going to first summarise and paraphrase the book of Revelations as it is not the easiest of books to interpret even after several readings.

You need to go deep into theology to understand and interpret it.

Many people and myself included find the book of Revelations very difficult to understand and interpret, as most of it is written and explained in metaphor, i.e. we need to interpret the images or visions that the apostle John had, to understand how it relates to the present day.

In summary John talks about a Beast with 10 Heads coming from the sea.

These 10 heads of the Beast are said to be 10 powerful nations coming together to form the One World Order which will be done through the One World Government.

This One World Government will be the Ruler of all.

Then alongside will be the False Prophet, this I believe will be the One World Religion.

Discussions and talks of a One World Religion have been ongoing for a number of years and we are now moving closer and closer to it as the Pope along with key Muslim Religious Leaders with representatives of other religions have already gathered to sign a Treaty.

ATTENTION

Both the Pope and the Muslim Leaders are the most powerful of all the leaders as their followers make up almost 60% of the World's population.

Ultimately for both One World Government and One World Religion there has to be a nominated Leader from both groups.

The Leader from the One World Government is the Beast.

The Leader from the One World Religion is the False Prophet

Who is behind all this?

It is the Devil whom the Ruler and False Prophet will worship,

They will make all this look good for the betterment and peace of the world but the truth is we are moving away from democracy into dictatorship.

This One World Religion is a pick and mix of all religions to create a man made religion hence the False Prophet.

Just as Satan deceived and fooled Adam and Eve into eating from the Tree of Knowledge of Good and Evil, the Devil is deceiving the World.

So the Dragon John talks about in Revelation is the Devil that gives the Beast the power.

So the Dragon, Beast and False Prophet will talk against our True God, and anybody that tries to come against these three will be put to prison or killed and termed as a terrorist for coming against their Regime.

The Devil will give the False Prophet powers to perform miracles.

Think about it, where do Sorcerers, Witches, Witch Doctors, Psychics, Mediums, False Gurus, False Saints get their miraculous powers from? It is the Devil.

John warns us that we will not be able to buy or sell anything without the Mark of the Beast which is 666 the sign of the Devil.

We will discuss later how we are so close to this prophecy being fulfilled as we are moving towards a Cashless society.

When a thief or con artist is about to make a massive robbery, it's not just done spur of the moment.

ATTENTION

The thief carefully, meticulously, almost perfectly plans with great thought and considerations, covering all things that can go wrong.

This robbery requires great research, luring, bribing, and convincing people to join their gang.

This can take quite a bit of time, and only once this has been done then the robbery or con is done.

You see the Devil has an end goal and he makes small steps to his end goal that go unnoticed, not giant leaps that are noticed immediately.

In the same way the Devil is executing his plan and is at the luring, bribing and convincing people step by step.

All will seem good to begin with as the Devil continues to convince the skeptical to be on his side.

When he has gathered enough support making him powerful and the rest of the World powerless.

That is when we are likely to face the Tribulation spoken of in the Bible.

The Bible tells us that the believer in Christ will escape this Tribulation through the Rapture, but nonetheless

whether you believe in Christ, you can not ignore the biblical prophecies.

The Book Of Daniel Prophecies Paraphrased

When we read the Book of Daniel which was written approximately 164 BC, there are many similarities with the Book of Revelation which was written approximately 95 AD.

I am going to highlight the main verses for the reader and explain, but have given the whole chapter for reference.

Daniel 7:23-28 - Daniel's Dream Interpreted

23 “He gave me this explanation: ‘The fourth beast is a fourth kingdom that will appear on earth. It will be different from all the other kingdoms and will devour the whole earth, trampling it down and crushing it.

Daniel had made other prophecies that had come to pass such as Babylon ruling over the Jews for 70 years.

But this fourth Kingdom is yet to come and indicates towards the One World Order/Government.

24 The ten horns are ten kings who will come from this kingdom. After them another king will arise, different from the earlier ones; he will subdue three kings.

When I piece together what Historians and Scholars inform us of this interpretation.

When the One World Government is first formed it will bring the peace and calm that it promises.

Once they have convinced all that this One World Order is good, then there will emerge a new King or Leader who will show his true colours.

25 He will speak against the Most High and oppress his holy people and try to change the set times and the laws. The holy people will be delivered into his hands for a time, times and half a time.

Here Daniel tells us that by forming his own One World Religion the leader will speak against The Most High as he will claim his man made One World Religion is the truth, and convince the people to pray and worship a false god i.e. the Devil.

Whoever goes against the One World Religion will be persecuted i.e. arrested, imprisoned and also killed.

Jesus also told us in **Matthew 24:9**

"Then you will be handed over to be persecuted and put to death, and you will be hated by all nations because of me.

26 "“But the court will sit, and his power will be taken away and completely destroyed forever.

This following verse is referring to Jesus coming back with his Saints to rule over the Anti Christ.

27 Then the sovereignty, power and greatness of all the kingdoms under heaven will be handed over to the holy people of the Most High. His kingdom will be an everlasting kingdom, and all rulers will worship and obey him.'

Christ will put right all the wrongs of the Devil with all Believers of the Most High who came under Christ;s protection.

28 "This is the end of the matter. I, Daniel, was deeply troubled by my thoughts, and my face turned pale, but I kept the matter to myself."

ATTENTION

Daniel also prophesied about the End Times in chapter 12 of his book as well as other places.

CHAPTER TWO

WHO & WHAT IS THE ANTICHRIST?

The Antichrist has been in existence even before Jesus was born and knew from previous prophecies that a Messiah would come, so the AntiChrist spirits are working to destroy the Messiah.

Just like Lucifer tried to overthrow God from His Seat in Heaven by wanting to become God.

By deceiving Adam he managed to become the Ruler of this world and the heavens above as the bible tells us.

Ephesians 6:12

New International Version

For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.

These heavenly realms are referred to as the skies and second heaven.

ATTENTION

Remember in the book of Daniel when Daniel asked the angel why it took him so long to bring the blessings i.e. why it took so long for his prayer to be answered.

The angel said he was stopped and had to fight the Devil, then had to ask the ArchAngel Michael to bring his reinforcements to break through the demonic resistance to bring the answer to Daniel's prayer.

The angel also tells Daniel now he has to fight his way through this realm which is controlled and ruled by the Devil to get back to the Holy Heaven which is God's Kingdom.

So from this we know that there are evil spirits ie Demons, Devils whatever you want to call them roaming around in between the Highest Heaven and on earth.

Who is the AntiChrist?

Most people expect the AntiChrist to be a man in the End Times, the bible tells us in, **Ephesians 6:12**

The Devil knew the Messiah was coming to save the world as scripture also revealed that the Messiah would be born in Bethlehem to a virgin who would call Him Immanuel.

The Prophet Micah tell us in,

(Micah 5:2 NIV) "But you, Bethlehem Ephrathah, though you are small among the clans of Judah, out of you will come for me one who will be ruler over Israel, whose origins are from old, from ancient times."

The Messiah would be an heir to King David's throne and would reign for eternity.

(Isaiah 7:14 NIV) "Therefore the Lord himself will give you a sign: The virgin will conceive and give birth to a son, and will call him Immanuel."

So the Anti Christ Spirit used Herod to try to kill Jesus.

Then he turned the Jews against Jesus, the very children of God that he came for.

(2 Samuel 7:12-13 NIV) “When your days are over and you rest with your ancestors, I will raise up your offspring to succeed you, your own flesh and blood, and I will establish his kingdom. He is the one who will build a house for my Name, and I will establish the throne of his kingdom forever.”

In this verse God reveals to the Prophet Nathan that God will use David’s son Solomon to build a Temple, which is later destroyed.

But he also revealed that through David’s lineage there will be one **“and I will establish the throne of his kingdom forever.”**

God is referring to Jesus, which we see in **Matthew 1:1-17**

The Genealogy of Jesus the Messiah

1 This is the genealogy[a] of Jesus the Messiah[b] the son of David, the son of Abraham:

**2 Abraham was the father of Isaac,
Isaac the father of Jacob,**

Jacob the father of Judah and his brothers,

**3 Judah the father of Perez and Zerah, whose
mother was Tamar,**

Perez the father of Hezron,

- Hezron the father of Ram,
4 Ram the father of Amminadab,
Amminadab the father of Nahshon,
Nahshon the father of Salmon,
5 Salmon the father of Boaz, whose mother was
Rahab,
Boaz the father of Obed, whose mother was Ruth,
Obed the father of Jesse,
6 and Jesse the father of King David.
David was the father of Solomon, whose mother had
been Uriah's wife,
7 Solomon the father of Rehoboam,
Rehoboam the father of Abijah,
Abijah the father of Asa,
8 Asa the father of Jehoshaphat,
Jehoshaphat the father of Jehoram,
Jehoram the father of Uzziah,
9 Uzziah the father of Jotham,
Jotham the father of Ahaz,
Ahaz the father of Hezekiah,
10 Hezekiah the father of Manasseh,
Manasseh the father of Amon,
Amon the father of Josiah,
11 and Josiah the father of Jeconiah[c] and his
brothers at the time of the exile to Babylon.
12 After the exile to Babylon:
Jeconiah was the father of Shealtiel,
Shealtiel the father of Zerubbabel,
13 Zerubbabel the father of Abihud,
Abihud the father of Eliakim,
Eliakim the father of Azor,**

**14 Azor the father of Zadok,
Zadok the father of Akim,
Akim the father of Elihud,
15 Elihud the father of Eleazar,
Eleazar the father of Matthan,
Matthan the father of Jacob,
16 and Jacob the father of Joseph, the husband of
Mary, and Mary was the mother of Jesus who is
called the Messiah.**

**17 Thus there were fourteen generations in all from
Abraham to David, fourteen from David to the exile to
Babylon, and fourteen from the exile to the Messiah.**

So can you see the AntiChrist was awaiting for this
Messiah the Christ ie the Son of God - Jesus.

When Christ ascended to heaven the Devil has been busy
destroying, breaking the Church and creating religions to
lead people away from Christ. So the AntiChrist has been
here for many years.

The word "anti" means being against or the opposite of
something. Anything with the prefix "anti" is opposed to
what it refers to. So, the term "anti" literally signifies
opposition.

Therefore, the antichrist opposes everything about
Christ, including His message, His person, and His
character.

Many people today are anti-Christ because they deny the divinity of Jesus.

Atheists can also be considered anti-Christ because they don't believe in God or Jesus as God, and so they are condemned according to John 3:18.

As we can see the antiChrist is not just one person, but a spirit which is Satan the devil.

This spirit of Anti-Christ exists in many people, not just a specific individual (2 John 4:3).

Paul talked about a man called the "man of lawlessness" who is also known as the anti-Christ (**2 Thes 2:3-4**).

Let's look at some key things the Bible says about the anti-Christ.

The Anti Christ In The End Times

The Anti Christ of the End Times refers to the One World Government & One World Religion indicated in the book of Daniel and Revelations.

The anti-Christ will blaspheme and speak badly about God.

ATTENTION

In **Revelation 13:6**, it says he will insult God and those in heaven, using God's name in vain which is also a way of blaspheming.

The anti-Christ will claim to be God and want people to worship him as if he is God. He will set himself up in God's temple and say he is God (**2 Thes 2:3-4**).

The anti-Christ will show and display miraculous powers to trick people. Paul writes that he will use signs and wonders to deceive those who don't believe in the truth (**2 Thes 2:9-12**).

He will perform great signs like making fire come down from heaven (**Rev 13:13**).

The anti-Christ will seem to come back to life after being badly wounded. This will make many people worship him, imitating Jesus' resurrection (**Rev 13:12-14**).

This shows that the anti-Christ will be very powerful and deceitful, trying to make people believe he is like God.

Every Christian, in this generation, must fight and resist this spirit by trusting and following the teachings of the Bible about Jesus Christ.

CHAPTER THREE

THE NEW WORLD ORDER IS COMING

Let's now look at the New World Order and how it is being planned and formed in front of our very eyes.

Here is a list of 7 Most Powerful Organizations in the World

1. United Nations (UN)
2. Médecins Sans Frontières (Doctors Without Borders)
3. European Union (EU)
4. UNESCO
5. International Monetary Fund (IMF)
6. World Bank
7. NATO

Many different Politicians and Money Men have often stated that in order to have peace and harmony across the World, we would need a One World Government.

As mentioned earlier it is the formation of a One World Government that will form this New World Order.

ATTENTION

If you do a bit of research on this you will find much evidence that this is not a conspiracy but the truth.

This New World Order/Government will be created to remove poverty, inequalities, wars, global natural disasters etc.

It will be brought in and passed as it will deceive people into thinking it is good, but in reality it will lead to Dictatorship and Tyranny.

It is not hidden, it's happening, but many people are not aware as the Devil has them wrapped up in their own little world of greed or problems.

Many influential, historical and current figures are believed to be part of this group. They control major events, like financial crises and controversial laws, to achieve global domination.

Recently, at the 78th U.N. General Assembly in New York, the U.S. and China shared different visions for the world's future.

U.S. Secretary of State Antony Blinken emphasized strengthening democracies, promoting human rights, and economic development.

He criticized China for supporting dictatorships and Russia for its war against Ukraine, stressing the U.S. commitment to building alliances for these goals.

China, meanwhile, called for more international cooperation and a reformed United Nations. Both countries agree on expanding the U.N. Security Council but differ on the details. There are also doubts about the true intentions of both superpowers.

ATTENTION

CHAPTER FOUR

ONE WORLD RELIGION

As mentioned earlier, the One World Religion is a man made Religion.

Representatives of all major Religions have been gathering for many years now to find a common ground.

They claim that Religions and differences in beliefs are the cause of all wars, which to an extent is true.

They also claim that we all believe in the same God but there are different paths to Him.

This contradicts Jesus when he says,

“I am the way, the Truth and Life, no one gets to the Father except through me”

This is why the New World Religion is referred to by many Christians as the Anti Christ.

When you think about it, this is why God forbid Adam to eat from the Tree of Knowledge of Good & Evil.

Knowledge is good but at the same time can be bad.

ATTENTION

Best example I can give is when babies are dependent on their parents, they can do no wrong on their own.

The older and more independent the child becomes the more chances of it becoming naughty and doing wrong things and being disobedient.

Same is with us and God, we also think we know better than our Eternal Father & Creator.

There are many differences in the views of different Religious Saints when it comes to God.

So which one was speaking the truth if all claim to have been sent by God?

So can you see that the Devil has misled and misguided many people in the name of Religion.

It is not for me to judge and condemn who is right and who is wrong.

I hold onto my faith and beliefs.

There are many teachings of many Saints which are undeniably good.

But this One World Religion is not only a blasphemy to Christ but to many Religions.

I believe that the two most powerful representatives will be the Pope and an Islamic Leader, combined all the Christian and Islamic denominations makeup over 60% of the World's Religious views making them a combined powerful majority.

I believe that one of these leaders will submit to the other as you can not have two leaders, there has to be one voice.

My belief is that it will be money that will dictate who submits to who, i.e. if one leader offers huge so-called charitable donations to the other then one will submit to the other.

In Saudi Arabia in 2023, the world witnessed the opening of the Abrahamic House.

Muslims converting to any other religion will not be tolerated by the Muslims of the middle east, but they would happily accept anyone converting to Islam.

I am not tarnishing all muslims or anybody under the same brush but I do question the intentions of so-called leaders.

ATTENTION

Anybody that does not follow this One World Religion will be persecuted as has been prophesied in many places in the bible.

It's not just Christians that will be killed and persecuted but everyone that comes against this One World Religion.

Holy Books and Scriptures will be destroyed.

The Abrahamic House

The Abrahamic Family House opened to the public in 2023 in Abu Dhabi.

It has a mosque, a church, and a synagogue, it aims to promote peace among Judaism, Christianity, and Islam.

The Leaders of this House promote that all three Religious groups believe in the Torah and therefore believe in the same God, but have different paths to the same God.

The Jews totally reject Jesus and are very anti Jesus because they felt threatened by him when he was alive.

Muslims believe that Jesus was a great Prophet who is mentioned in the Quran more times than Mohammed.

They do not believe he is the Son of God, but do believe that he will come back for God's children in the End of Time.

So even in these (3)three religions, there are major conflicting views and beliefs.

So therefore this One World Religion is a Man Made Religion.

Part of this complex is the Moses Ben Maimon Synagogue, opened on February 16. It's the first synagogue built in the Middle East outside of Israel in a hundred years.

This is part of the UAE's efforts to encourage religious tolerance, especially since the Abraham Accords in 2020.

The UAE has been promoting tolerance and coexistence, shown by the 2019 Year of Tolerance and Pope Francis's visit.

In early December, Pope Francis visited the United Arab Emirates for the second time.

His first visit was in February 2019, where he made history as the first Pope to visit the Arabian Peninsula and

ATTENTION

celebrate Mass for the small Catholic community there, mostly made up of foreign workers.

During that visit, Pope Francis signed an important document with the Grand Imam of Al Azhar, Ahmed Al Tayyeb, about world peace and living together.

This document inspired Pope Francis's letter writing on human fraternity called "Fratelli Tutti" in 2020.

IS THE POPE ACTUALLY APPOINTED AND BLESSED BY GOD???

In order to answer this question we need to understand the role of the Pope and how it is said to have come about.

The Pope is believed by Catholics to be the direct successor of St Peter, who was the leader of the apostles, One who was sent out by Jesus to preach the gospel or 'good news'.. This is why they accept his authority. The current pope is Pope Francis. The office of the pope is referred to as the papacy.

Does the Pope have unlimited power?

Papal supremacy is the doctrine of the Roman Catholic Church that the pope, by reason of his office as Vicar of Christ and as Pastor of the entire Christian Church, has full, supreme, and universal power over the whole church, a power which he can always exercise regardless of any objections, it is he who has the final authority whereas Christians believe it is the Bible.

My Question To Catholics

If Peter was the first Pope appointed and anointed by Christ why is this not mentioned by any of the 4 Gospels of Matthew, Mark, Luke & John or the Books written by Peter himself.

You would expect the Gospel of Mark who it is widely considered wrote his book as dictated by Peter himself.

If Peter was appointed and anointed Pope then surely he and his fellow apostles and disciples would have written about it.

Surely Paul who planted the early churches abroad whose books make up a significant part of the New Testament would have written about this.

Why did Jesus say in **John 16:7 AMPC**

However, I am telling you nothing but the truth when I say it is profitable (good, expedient, advantageous) for you that I go away. Because if I do not go away, the Comforter (Counselor, Helper, Advocate, Intercessor, Strengtheners, Standby) will not come to you [into close fellowship with you]; but if I go away, I will send Him to you [to be in close fellowship with you].

ATTENTION

Why does John who was also a Disciple of Christ write?

1 John 2:27 EASY:

But Christ has given the Holy Spirit to you, and he continues to help you. So you do not need people to teach you what is true. The Holy Spirit himself teaches you everything about God's message. He helps you to know what is true. He does not tell you any lies. So you must remember what he has taught you. Continue to live together with Christ.

Why does he not mention that Peter is the Pope.

Why do we read in the book of Acts that the Holy Spirit fell on all who were in the Upper Room and not only on Peter if he was the Pope?

Jesus told all his believers whatever you ask in my name will be given to you, not just to Peter.

Why has the Pope given permission to same sex marriages?

<https://www.bbc.co.uk › news › world-europe-67751600>

18 Dec 2023 — Pope Francis has allowed priests to bless same-sex couples, a significant advance for LGBT people in the Roman Catholic Church.

The bible makes its stance on Homosexuality quite clear in,

Leviticus 18:22 and Leviticus 20:13

The Book of Leviticus in the Old Testament has two references condemning homosexuality: "Do not lie with a man as one lies with a woman; that is detestable" (Leviticus 18:22) and "If a man lies with a man as one lies with woman, both of them have done what is detestable. They must be put to death; their blood will be on their own heads" (Leviticus 20:13).

What does the bible say about adding or subtracting to it?

Deuteronomy 4:2 NIV

Do not add to what I command you and do not subtract from it, but keep the commands of the LORD your God that I give you.

So then how does the Pope have this authority, where does Jesus give permission.

I also question where in the Bible does it say we can pray to Mary to intercede for us.

ATTENTION

On the contrary why is it written in Romans that the Holy Spirit intercedes for us.

Romans 8:26-27 (NIV)

We do not know what we ought to pray for, but the Spirit himself intercedes for us through wordless groans. And he who searches our hearts knows the mind of the Spirit, because the Spirit intercedes for God's people in accordance with the will of God.

Did not Jesus say don't build your treasures on earth but in Heaven?

Do we not read in Acts, that when everyone brought all they had to the Disciples it was distributed equally to all, so why does the Vatican build such expensive Cathedrals and have chairs worth millions.

Why are there so many sexual allegations made against the Vatican?

I let you now make your own mind up about the Pope and rest my case.

CHAPTER FIVE

MARK OF THE BEAST

The book of Revelations reveals that when the Beast i.e. Anti Christ comes we will not be able to buy or sell without this mark which will be on the right hand or forehead.

The number 666 is the number of the Beast as is revealed in these verses.

Revelation 13:16-18

Amplified Bible

16 Also he compels all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead [signifying allegiance to the beast],

17 and that no one will be able to buy or sell, except the one who has the mark, *either* the name of the beast or the number of his name.

18 Here is wisdom. Let the person who has enough insight calculate the number of the beast, for it is the

ATTENTION

[imperfect] number of a man; [a]and his number is [b]six hundred and sixty-six.

If you were to turn Monster Energy drink upside down, you will notice that it is 666.

Monster recently mockingly printed Eve eating an apple.

The Devil no longer hides; he is now coming in the open.

In fact the Devil is now being depicted as a cute naughty figure,

There are many businesses that use Devil's name e.g, Devils Den, Horny Devil etc, there are cuddly toys with devil horns.

He is being depicted as harmless,

What Is Likely To Be The Mark Of The Beast?

This could be related to modern technology like microchips or digital IDs. These chips can store personal information and be used for financial transactions.

In some parts of the world, digital IDs are already essential for accessing services.

The idea that a mandatory digital marker could control one's ability to buy or sell aligns with the biblical prophecy, emphasizing the need for vigilance among believers.

The World Economic Forum recently discussed the rapid development of advanced AI chips.

ATTENTION

Companies like Intel, Meta, Google, and Nvidia are creating new AI chips to meet the growing demand.

Nvidia's AI chips, crucial for large language models, have made it one of the world's biggest companies.

Many countries, including the US, EU nations, and India, are investing heavily in new semiconductor factories, although these will take years to become operational.

The changing AI market presents new opportunities but also challenges.

One intriguing possibility is the use of RFID (Radio Frequency Identification) chips, which use electromagnetic fields to identify and track objects.

RFID technology is used for various purposes, such as tracking medicines, library books, vehicles, and even pets.

Recently, some companies have started offering RFID chip implants to their employees.

These implants allow employees to open doors, pay for food, and use office equipment by simply waving their hand.

While RFID implants offer convenience, there are concerns about their medical, technological, and ethical implications.

For those who read the Bible, an RFID chip implanted in the right hand might seem like the mark of the Beast mentioned in Revelation, as it aligns with the prophecy.

This has led some to believe that these technological advancements could be fulfilling biblical prophecies about the end times.

BBC report about people being implanted with a chip to buy things.

CHAPTER SIX

CASHLESS SOCIETY

We have been moving towards becoming a cashless society for quite some time now.

It all started with the introduction of Credit & Debit Cards.

Now Electronic Wallets.

Online Banking has led to the close down of many Banks & Building Societies.

Online shopping.

All of the above have led to people not having to carry or hold cash,

Even Beggars now have Card Readers if you do not have cash.

Not having Cash is now becoming acceptable and the norm.

CryptoCurrency will wipe out the need for cash.

ATTENTION

In a cashless society, people don't use paper money or coins.

Sweden is a good example of a cashless society. From 2000 to 2017, Sweden worked hard to use digital payments instead of cash.

Around 2000 to 2005, they started having bank branches that didn't handle cash. By 2008, banks gave people tools to pay bills online.

People could still use cash if they wanted to, but banks started to close branches or make them cash-free.

From 2015 to 2017, Sweden replaced all their coins and paper money (except the 10 kronor coin).

Banks set limits on how much cash people could take out each week to keep things safe.

Now, only a few banks in Sweden still handle cash.

This change has been hard for small shops and charities because they rely on cash. To help, Swedish banks created Swish, a mobile payment system, but it has had some problems.

Some people think the change is too fast and worry about security, especially with new technologies like quantum computing, which could make hacking easier.

Critics say that the elderly struggle the most because they find it hard to use new technology.

Can you see how this cashless society paves the way for the introduction of the Chip ie the Mark Of The Beast.

With everything becoming digital cyber crime will be difficult to prove, and we could have things taken from us easily.

Already AI Deep Fakes are so good.

All this technological advancement in the wrong hands leads to disaster.

Just imagine a tyrant Dictator can take everything from us and control everything we do.

HOW FAR HAS TECHNOLOGY COME IN THE LAST 50 YEARS
FROM 1974 TO 2024

ATTENTION

The rapid growth and evolution of technology is gaining faster and faster momentum with each passing year.

100 Years Later

EDUCATION SYSTEM

2020

Over the past 100 years, the world has changed a lot because of new technology.

Here's how:

Literacy Rates: In 1917, only 23% of people could read and write. Today, about 86.1% of people can read and write.

Travel Times: In 1917, it took 5 days to travel from London to New York and 3.5 months to go from London to Australia.

Now, it takes about 8 hours to fly from London to New York and about a day to fly from London to Australia with one stop.

Important Milestones in Technology:

Early Foundations (1930s - 1950s): The first electronic computers, like ENIAC and the Turing machine, were invented. These were the first steps in digital computing.

Birth of the Internet (1960s - 1970s): The ARPANET, an early version of the internet, was created. It made worldwide digital communication possible.

Personal Computers (1980s): PCs like the Apple II and IBM PC were introduced. Computers started being used in homes and offices. Companies like Microsoft and Apple became very important.

World Wide Web (1990s): The World Wide Web was invented by Sir Tim Berners-Lee, making the internet accessible to everyone. Companies like Google started to help people find information online.

ATTENTION

Social Media and Mobile Phones (2000s): Websites like Facebook and Twitter, and smartphones changed how people communicate, making the world more connected.

AI and Big Data (2010s - Now): Advances in artificial intelligence (AI) began to change many industries like healthcare and finance.

The huge amount of data available, called 'Big Data,' helps us understand a lot about human behavior.

The Future: Technology changes the world in ways that are hard to imagine until they happen. For example, our ancestors couldn't imagine electric lights, and our grandparents couldn't imagine smartphones and the internet.

Looking at how quickly technology has changed our world in the past helps us understand that the future will probably look very different from now.

CHAPTER SEVEN

THE FUTURE OF TECHNOLOGY

ATTENTION

Virtual Reality will take over Television

Robots doing housework

Robot Plastering

Robots in the workplace will replace over 20 million manufacturing jobs worldwide by 2030, according to industry experts. This shift towards automation aims to increase efficiency and productivity, but it also raises significant concerns about job displacement and the need for retraining the workforce.

Robots Teachers

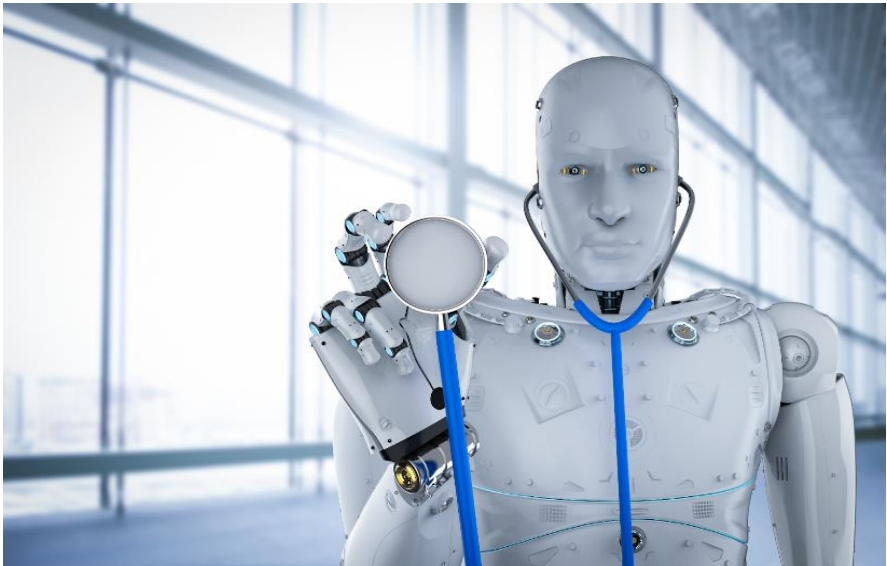

Robot Gardners

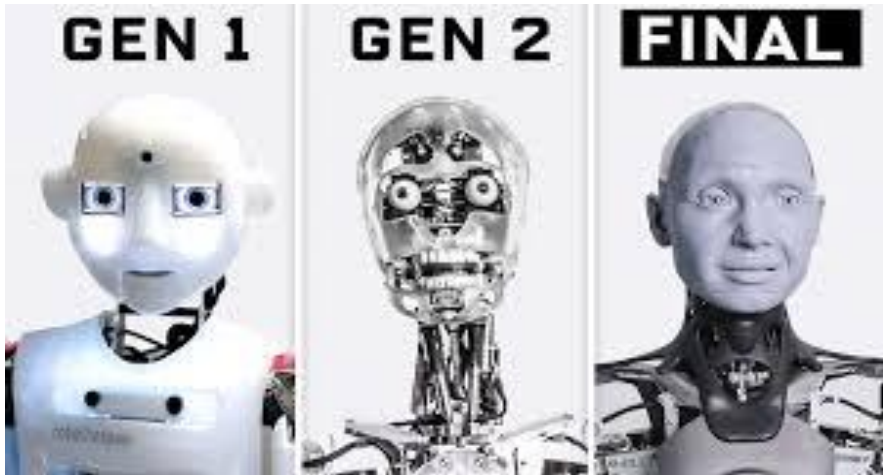

ATTENTION

Robot Police

Robot Doctors

Robots are being developed into Humanoids, that will be actual Terminator types looking like humans.

This is very frightening to know that one day Robots will be in charge of Law & Order, where a Robot goes corrupt.

Our lives will be in the hands of a robotic doctor, what if a patient dies during an operation, will the Robot be imprisoned.

If Robots can be programmed to teach our children anything.

These Robots will be man's most damaging creation.

How many jobs will be lost to AI by 2025?

The World Economic Forum has estimated that artificial intelligence will replace some 85 million jobs by 2025.

Freethink says that 65% of retail jobs could be automated by that year, saying that this is largely due to technological advancements, rising costs and wages, tight labor markets, and reduced consumer spending.

How many jobs will be lost to AI by 2030?

PwC estimates that by the mid-2030s, up to 30% of jobs could be automatable, with slightly more men being affected in the long run as autonomous vehicles and other machines replace many manual tasks where their share of employment is higher.

During the first and second waves, they estimate that women could be at greater risk of automation due to their higher representation in clerical and other administrative functions.

CHAPTER EIGHT

IS TECHNOLOGY GOOD OR BAD FOR US

Whilst Technology is projected to be good for us, is it really good for us?

I think the real answer to this can be found if we go back to the beginning of the creation.

We read in Genesis that when God created this world it was good.

In fact we can go as far and say it was perfect.

Genesis 1:26-31

26 Then God said, “Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals,^[a] and over all the creatures that move along the ground.”

27 So God created mankind in his own image, in the image of God he created them; male and female he created them

28 God blessed them and said to them, “Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground.”

29 Then God said, “I give you every seed-bearing plant on the face of the whole earth and every tree that has fruit with seed in it. They will be yours for food.

30 And to all the beasts of the earth and all the birds in the sky and all the creatures that move along the ground—everything that has the breath of life in it—I give every green plant for food.” And it was so.

31 God saw all that he had made, and it was very good. And there was evening, and there was morning—the sixth day.

So we can read and conclude when God created the world he created it with man being the Ruler, you can say God of this world.

As God gave man everything he needed.

Man had everything in abundance, and it was all natural and there was no poverty, sickness, bad land, droughts, famines.

There was nothing bad on earth until the devil Satan convinced Adam and Eve to eat the fruit from the forbidden Tree of Knowledge of Good & Evil.

The moment Adam was disobedience to God, Sin was born in Adam, that sinful nature has been passed through the bloodline of Adam who is said to be the first man.

I believe the reason why God forbid Adam from eating from this tree is, take the example of a child.

When a child is a baby it is dependent on its Parent and obeys their parents without questioning.

As the child gets older and starts learning i.e. gaining knowledge it starts questioning that Parent.

How many times have you heard a kid ask but why???

Very soon the child starts to make its own decisions, which can be good or bad.

We have all made choices that are bad or forbidden, and we make these choices even when we are told not to.

ATTENTION

Such is our ignorance we even make wrong choices if they are bad for our health, eg drinking, smoking drugs etc.

Knowledge can also give birth to pride.

So I believe this is “A” major reason God forbade Adam from eating from this tree.

The moment Adam did eat from it, he felt naked which he did not before.

That knowledge robbed Adam from his innocence and his disobedience angered God to curse Adam.

If God wanted Technological items I believe he would have created the world with them.

If we look at everything that is man made and not natural it is not perfect.

Canned and Processed foods seem to be good as they have longer shelf life, but the preservatives and additives added to them lead to illness and life threatening diseases.

Man’s creation has destroyed more than 70% of the Environment and its habitat, so many animals have become extinct.

So I believe Technology is a weapon and tool of the Devil to destroy God's beautiful Creation.

Governments control news and the media.

They decide what they want us to see or hear.

If anyone speaks against the Chinese Government live on TV, within a minute that program will be taken off the air.

China has also introduced a Social Scoring System for some years it ranks its citizens based on their "social credit."

People can be punished if they drive badly, buy too many video games, or steal.

They introduce it making people believe that it's for societies good over all but ultimately it's about control.

Politicians and Governments do this all over the world all the time, the Europeans go into countries rich in natural resources, persecute the original people, kill them causing genocides as in America, Australia, India, Africa, enslave them, what is their motive - power and greed.

African Governments rather see the rest of their country suffer but will not get rid of corruption.

Paul writes in the Bible **2 Timothy 3:5**

3 But mark this: There will be terrible times in the last days. 2 People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, 3 without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, 4 treacherous, rash, conceited, lovers of pleasure rather than lovers of God— 5 having a form of godliness but denying its power. Have nothing to do with such people.

This is the world we live in today and it is getting worse and worse.

The Devil has a massive influence on people through TV, Music, Social Media. It is all full of drinks, drugs, sex and violence.

Rap music promotes and encourages gang warfare where kids think it's cool to carry knives and use them.

It is normal for films to have raunchy sex scenes.

The Devil has broken families up with the introduction of mobile phones, at family gatherings everyone is on their phones.

Families have gone from being Extended with brothers, sisters, aunts and uncles living together to Nuclear families where you have only mum and dad and children to Single parent families, now gay families are acceptable.

CASHLESS COUNTRIES

The number of Countries going cashless is increasing. This is just a few that are marching forward.

- Sweden.
- Finland.
- China.
- South Korea.
- United Kingdom.
- Australia.
- Netherlands.
- Canada
- Hong Kong

People do not realise the impact and danger of a cashless society where everything becomes digital.

Cybercrime is difficult to prove, and you could lose everything you owned in a flash.

ATTENTION

There has been a lot of talk of the Great Economic Reset, which is that the World will become globally bankrupt so the Governments will have to reset everything meaning people will have all their money lost in a flash again.

CHAPTER NINE

DEPOPULATION OF THE WORLD & COVID 19

The pharmaceutical sector represents a huge industry, with the global pharmaceutical market being worth more than 1.5 trillion U.S. dollars.

Many people talk that there are natural cures for many diseases such as cancer but the large Pharmaceutical Companies do not want the public to know of these otherwise it will mean a huge end to their year on year profits.

I have screenshot an article in the Guardian revealing how the Richest Billionaires are connected to the Pharmaceutical Industry.

They claim to be making donations to the Pharmaceuticals, where are these donations coming from.

I am pretty sure they are not coming from their Savings, they are probably coming from Charities they have set up and from their various businesses for those that are not

ATTENTION

aware in most countries if a Company makes a donation then it's not taxable.

What great marketing that these are caring guys, but are they really,

I am giving my opinion based on my research and findings and as I am trying to put the jigsaw puzzle together to reveal the final picture, and I believe in this book I have put together enough pieces to reveal the coming truth.

I had screenshot this article below to show the reader that 137 Billionaires are pledging to give to these Pharmaceutical Industries.

I am pretty sure that they actually have companies set up making money from them.

Are Gates and Rockefeller using their influence to set an agenda in poor states?

Study identifies Bill and Melinda Gates and Rockefeller foundations among rich donors that are close to government and may be skewing priorities

Ultra-rich philanthropists and their foundations have increasing influence on decision-making and are setting the global health and agriculture agenda in developing countries, according to a major study (pdf).

Using their immense wealth and influence with political and scientific elites, organisations like the Bill and Melinda Gates Foundation, the Rockefeller Foundation and others are promoting solutions to global problems that may undermine the UN and other international organisations, says the report by the independent Global Policy Forum, which monitors the work of UN bodies and global policymaking.

With assets of more than \$360bn (£250bn), the world's 27 largest foundations give roughly \$15bn annually to charitable causes. Nineteen of the 27 are American and many are now looking to extend their influence to poorer countries, say the report's authors.

Foundation spending on global development has increased from \$3bn a year in the early 2000s to \$10bn today. By far the largest donor, say the authors, is the Bill and Melinda Gates Foundation, which in 2012 gave \$2.6bn. This compares with \$1.2bn from the next nine largest US trusts.

In addition, 137 billionaires from 14 countries have now pledged to give to philanthropic causes. They include the former mayor of New York City Michael Bloomberg, the US filmmaker George Lucas and the Facebook founder Mark Zuckerberg.

“If these and more ultra-rich fulfil their pledges, many more billions of dollars will be made available for charitable purposes,” says the report, which was financed by Misereor and Brot für die Welt, two German church groups that work largely in Africa.

The study claims many foundations enable rich countries and their corporations to achieve their own ends in developing countries, from setting up public-private partnerships with pharmaceutical companies to promoting certain sorts of corporate farming and the use of biotechnology for health and agriculture.

The world’s largest philanthropic foundations

The authors ask whether the foundations are now sidelining governments and shifting influencing the work of international bodies. “Through the sheer size of their grant-making, personal networking and active advocacy, large global foundations have played an increasingly active role in shaping the agenda-setting and funding priorities of international organisations and governments.

“So far there has been a fairly willing belief among governments and international organisations in the positive role of philanthropy.” But, say the authors, a thorough assessment is now necessary because the wealthy may be skewing the priorities of the poor.

“They should analyse the intended and unintended risks and side-effects of their activities, particularly the fragmentation of global governance, the weakening of representative democracy ... the prevailing practice of applying business logic to the provision of public goods.”

The authors say foundations have used their influence well to get governments to tackle poverty. “Their advocacy for global causes puts pressure on governments, and sometimes the private sector, to become more actively engaged.”

But this raises concerns about how they and their corporate partners may be taking over from the UN and weakening public health systems in developing countries. “As the UN accelerates its engagement with the business and corporate sector, as well as philanthropic foundations, it lacks the rules and tools needed to ensure it does not lose sight of its original mission.

“Through their multiple channels of influence, the Rockefeller and Gates foundations have been very successful in promoting their market-based and bio-medical approaches towards global health challenges in the research and health policy community – and beyond.”

Their strategy includes placing people in international organisations, and gaining privileged access to scientific, business and political elites.

For example, when Bill Gates visited Berlin to campaign for the Gavi Alliance (the vaccine alliance of governments, NGOs and companies set up with Gates and Rockefeller money), he met the German chancellor and the foreign, finance, development and health ministers.

“The Gates foundation has successfully positioned itself in the centre of a community that is promoting market-

based, techno-fix solutions to the complex global problems of hunger and malnutrition,” say the authors.

Leonora Diller, spokeswoman for the Gates foundation said: “The problems affecting the world’s poorest are complex and we believe that solving them requires the close collaboration of governments, NGOs, academic institutions and for-profit businesses. Governments and international organisations provide leadership and resources.

“The private sector has access to life-saving innovations and we believe that the role of philanthropy is to take risks where others can’t or won’t. Our investments are substantial, but just one piece of the puzzle.”

According to the report, the Gates foundation is now the second largest donor to the World Health Organisation after the US, as well as one of the world’s largest single investors in biotechnology for farming and pharmaceuticals. But while the billions of dollars for research is welcomed in rich countries, its massive power to shift the agenda is questioned elsewhere.

“The mushrooming of global partnerships, particularly in the health sector, has led to isolated and often poorly coordinated solutions. These initiatives have not only

contributed to the institutional weakening of the UN and its specialised agencies but have undermined national development strategies,” it says.

“Médecins Sans Frontières (MSF) states that, while Gavi has helped to lower prices of new and underused vaccines for eligible countries, the cost to fully immunise a child was 68 times more expensive in 2014 than it was in 2001.” The report also questions why the Gates foundation invests heavily in companies like Monsanto and Bayer. “In addition to its grant-making activities, the Gates foundation has recently stepped up its support for the biotechnological industry directly.” In February, it took a \$52m equity stake in CureVac, a German biopharmaceutical company.

“There is a revolving door between the Gates foundation and pharmaceutical corporations. Many of the foundation’s staff had held positions at pharmaceutical companies,” the report adds.

The study says: “Both Gates and the Rockefeller Foundation regard technological innovation and close cooperation with the food and agricultural industries as key to overcoming hunger ... In 2006 they together launched the Alliance for a Green Revolution in Africa (Agra), based on the premise that hunger in Africa is mainly the result of a lack of technology and functioning markets. This changed the farming agenda in Africa,” say the authors.

Since then Gates has given more than \$3bn to support 660 agricultural projects as well as several hundred million dollars for nutrition. “The vast majority of grants focus on Africa. However, more than 80% of the \$669m to NGOs went to organisations based in the US and Europe, with only 4% going to Africa-based NGOs.” The report claims Agra has been intervening directly in the formulation of African governments’ agricultural policies on issues like seeds and land. “Because of its focus on bio-technological farming methods, it has increasingly promoted GM seeds. Critics claim that under the guise of eliminating hunger in Africa, it is a tool to open African markets to US agri-business,” says the report.

Achieng’ Otieno, a spokeswoman for the Rockefeller’s Africa office, said: “The agricultural research that the Rockefeller Foundation funded through the green revolution saved millions of lives. Today our focus is on making better use of the resources that go into food production, and in particular reducing both post-harvest losses and retail- and consumer-level food waste.

“These are the biggest food security issues of our day, and, yes, we want to influence decisions so that more food ends up on tables and in mouths and far less of it

in landfills, particularly as we want to see this done in a way that benefits smallholder farmers.”

Diller said: “It’s important to point out that in all of our grant-making we are guided by the evidence and by the deep research and expertise of our partners and grantees ... Our open access policy reflects our commitment to the open exchange of information across our work. We continue to try to do all we can to be transparent and accountable to our investments and our decision-making.”

Let's look at Covid 19 now

During Covid Bill Gates was advising the World Health Organisation what to do.

Since when did a Computer guy become a Doctor?

I remember watching the News the Governments were following advice of Scientists, and who is ultimately funding them?

It is well known and documented that Bill Gates is to have said on many occasions that the World is overpopulated.

These Pharmaceuticals tests their research on poor Africans and Indians, by offering them money to test their drugs,

If and when these people die it goes unrecognised as they were poor uneducated people whose voice would not be heard.

If you recollect Covid 19 started off in China.

It was claimed that this was contagious and the diseases were airborne.

I found it very surprising how it managed to travel and affect Europe and America i.e. the so-called First World Countries and then hit the rest of Asia that neighbour China much later.

I remember that they were expecting a much higher mortality rate in England.

Remember they had made makeshift hospitals at London's O2 Arena and Birmingham's NEC.

Not one bed was occupied.

The Governments brought in not 1 not 2 but 3 Vaccines within months.

ATTENTION

Yet they say vaccines normally take many years before a cure is found.

It is an open secret that Hospitals in the UK were told if there is any cold or flu like symptoms of anyone dying they had to put Covid down as the reason of death.

Now I am not for a second saying that there was no Covid disease, but it was made out to be a lot worse than it was.

I remember speaking to a number of medics at the time, who were not allowed to give an opinion or else they could lose their job,

But off the record quite a few nurses and doctors actually questioned the truth of it all.

It was strange how there was a global lockdown and people were compelled and scared into taking the vaccine.

If the author of this book did not take the vaccine. I am more than morbidly obese and have many underlying medical conditions that would put me as a No 1 risk to Covid, and I did catch it but I am still alive.

Since Covid the number of middle aged men especially in their 50's and 60's are dying early unexpected deaths is becoming more and more common.

Fit and healthy men are all of sudden dying of heart related diseases or deaths.

I have heard quite few doctors say that the vaccines make the blood thicker.

There are also some theories that the vaccines have weakened people's immune systems.

When I have spoken to people in other countries they are also noticing this.

It does make one question many things, was Covid 19 introduced to cause a global recession impact of lockdowns and the loans Governments were giving out like smarties, in order to pave the way for the Great Economic Reset which is rumored could happen if we become a Cashless Society.

If this happens then almost everybody could end up with nothing.

ATTENTION

So is this AI and Robots coupled with Depopulation and getting rid of the Middle Classes paving the way for this???

There are so many things happening around us that raise serious question marks.

And when we piece the jigsaw together it points to biblical End Time Prophecy.

CHAPTER TEN

CONCLUSION

There is so much more I can reveal to you all, but I believe and pray that this will wake the reader up to see what is going on.

God is real.

All these things have been prophesied and written about and it is happening in front of our very own eyes.

But people are so caught up in their own little worlds that they either do not care, or are too afraid, or put it down as a conspiracy theory.

But as all I write begins to happen then this book will no longer be a conspiracy theory.

Please Please Please, if not for yourselves if you have and love your children then turn to God and repent of your sins.

It is Sin that separates us from God.

ATTENTION

The Bible teaches us that Jesus became the atoning sacrifice, he is also known as the Holy Lamb who was sacrificed so that our sins will transfer onto him.

If you do not believe in Jesus at the very least turn from your sins, pray and seek God, ask the God Most High to reveal himself to you.

Pray and ask with a sincere heart.

Those that are on the fence, what have you got to lose by putting your faith in Jesus?

You will have to give up your sinful life which will lead you to hell.

The Bible tells us **“for the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord”.**
Romans 6:23.

Matthew 7:13 AMP tells us

“Enter through the narrow gate. For wide is the gate and broad *and* easy to travel is the path that leads the way to destruction *and* eternal loss, and there are many who enter through it.

What does Jesus ask us to do in summary

Mark 12:30-31 - New International Version

30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.’[a] 31 The second is this: ‘Love your neighbor as yourself.’[b] There is no commandment greater than these.”

So basically Jesus is asking us to love God as no1 first then everybody else as we love ourselves.

If we followed this commandment would the world not be a much better place.

Who in their right mind can argue that what Jesus has asked us to do here is wrong.

Jesus said I am the Way the Truth and Life, no one comes to the Father except through me.

I am not forcing anyone to give their life to Christ but I can tell you that following Christ changed my life and could change yours.

This is your chance before it's too late as you may never see tomorrow and end up in Hell.

Now say the following prayer.

“Father, I know that I have broken your laws and my sins have separated me from you. I am truly sorry, and now I want to turn away from my past sinful life toward you. Please forgive me, just as I forgive those that have sinned against and hurt me, I hold no grudge or enmity with anyone, and help me avoid sinning again. I believe that your son, Jesus Christ died for my sins, was resurrected from the dead, is alive, and hears my prayer. I invite Jesus to become the Lord of my life, to rule and reign in my heart from this day forward. Please send your Holy Spirit to help me obey You, and to do Your will for the rest of my life.

The Sinner's Prayer Leading Us To God

“Father, I know that I have broken your laws and my sins have separated me from you. I am truly sorry, and now I want to turn away from my past sinful life toward you. Please forgive me, just as I forgive those that have sinned against and hurt me, I hold no grudge or enmity with anyone, and help me avoid sinning again. I believe that your son, Jesus Christ died for my sins, was resurrected from the dead, is alive, and hears my prayer. I invite Jesus to become the Lord of my life, to rule and reign in my heart from this day forward. Please send

your Holy Spirit to help me obey You, and to do Your will for the rest of my life.

Lord, I pray that you take away my old heart of stone and give me a heart of flesh that follows your commands all the days of my life as is written in Ezekiel 36.26.

I pray the same as the psalmist in Psalm 143:10. Teach me to do your will for you are my God, let your good Spirit lead me on a level path.

Lord, I pray that you teach and empower me to Trust you with all my heart, and not to lean on my own understanding and acknowledge you in everything I do.

Lord make me Righteous and Holy before you.

Never leave nor forsake me, let me dwell in your house for ever, let your goodness and mercy follow me all the days of my life.

Lord crucify my former self and give me a new birth as your Child.

Lord use me mightily for your glory. I pray and ask in the name of Jesus Christ.

Amen.”
